Alexandria, VA 22313-1450

Sir:

In response to the January 27, 2009 Office Action, please amend the above-identified application as follows.

As discussed with the SPE, Daniel Sullivan on July 22, 2009, this Office Action was not received by applicant's attorneys of record in the mail in the regular course of business. Mr. Sullivan agreed that the Office Action would be mailed again as a Supplemental Office Action and set a new date for response. At this time, the Supplemental Office Action has not been received. In view of the Office Action not being received in the regular course of business and the understanding that the time for responding to the Office Action would be set based on the mail date of the Supplemental Office Action, no extension fees are believed due. In the event any fees are due, including any extension fees for responding to the Office Action, the Director is authorized to charge any fees to our Deposit Account No. 18-2220.
